Note: PRT-A230/L Process Technology II: Systems + Lab 4 credits has a hands-on portion that must be done on campus. Hands-on activities are done as “lab intensives” (all day events) where travel to the campus may be as little as two times per class if the hands-on activities are completed. It is possible to do all other courses entirely on-line. Depending on the semester, all other classes may also be available on campus.
